

Creative Ideas to Spark Your United Way Campaign

United Ways serving Linn, Benton, & Lincoln Counties want to help you help your community. We also want to help you make your workplace campaign as successful as possible. An innovative and fun campaign makes the job of the Campaign Coordinator more enjoyable and creates increased awareness of United Way among your co-workers. So, we've put together these ideas that will make a positive impact on your workplace campaign – ideas that will encourage more employees to participate and help increase the total dollars contributed to your over all campaign.
