Allocation Request: 2018/2019: _____

Allocation Request: 2019/2020: _____

Is this program registered with 211 Info: Yes

No

Service Location (s): Please list all the Linn County zip code(s) receiving this program's services

Program Objective(s) Narrative

What community condition is your program addressing? Which primary population is targeted to receive your program services?

Program Specifics

Program Inputs

What resources are dedicated to the program including but not limited to money, staff, volunteers, facilities, equipment and supplies?

Program Activities

How does your program change the lives and or conditions of clients and how is it achieved?
For example: feed and shelter the homeless, provide job training, counsel pregnant women, etc.

Do other agencies provide similar services? How is this program coordinating with these agencies to deliver services?

Program Outputs

What are the direct products of program activities?

For example: number of classes taught, number of counseling sessions conducted, hours of service provided.

What qualifications are required to deliver the service(s)?

Program Outcomes

What can clients expect from participation in this program?

For example: increased skills, modified behavior, improved condition, and new knowledge.

Do you have a way of recognizing client needs beyond the scope of your program? If yes, where and how do you refer them to these services?

How do you track your client's use of the program? How do you track outcomes for the program?

Program Financial Resources

Please provide United Way a proposed program budget through June 2019. This budget should include both expenses and income.

What unique or extenuating circumstances in your funding would be important for the UWLC to consider?

What other sources of funding does the program have besides United Way?

How were recommendations (if any) from the last UWLC funds allocation meeting addressed?

Demographics

Demographic information is used for campaign and marketing purposes. These statistics allow UWLC to generate benefit statements to show donors the return on their investment.

Please be as accurate and thorough as possible. Thank you!
