

Application for Funding

Packaging Instructions

The deadline for applications is 4:00 p.m. on Tuesday April 3rd 2018

Information provided by your agency in the Application for Funding is presented to community volunteers. These volunteers make the funding recommendations for United Way Linn County's Partner Agency programs.

Providing complete, concise information in a professionally presented package can aid our volunteers in better understanding the role your agency's program plays in meeting the needs in Linn County.

Application Components

Agency financial information:

- Most recently completed financial audit, review, or compilation as required
- Balance sheet, including income/expenditures for last completed fiscal year
- Most current Internal Revenue Service Form 990 submitted to the State of Oregon (form only) include pages 1-5 – do not include schedules

Agency application: includes mission statement and financial overview

Program application: includes service description (narrative), documented need for program, program objectives, financial resources, and demographics. Complete one program application for each program.
Example: Your agency is applying for two programs: Shelter and Food, complete one application for the Shelter program, and complete one application for the Food program.

Completed Application Packets

Return application and financials to the United Way of Linn County to office@unitedwayoflinncounty.org for each Impact Area you are requesting funds

Complete separate packets for each Impact Area you are requesting funds from. Every Impact Area will be reviewed by a different panel of volunteers.

Each Impact Area packet consists of:

- Agency application
- Program applications (one for each program requesting funds from this impact area)
- Financials
